Senior Engineer, Structural

Website: www.gsfic.ga.gov

Position Overview
<u>Duties:</u> Under broad supervision, evaluates and reviews designs, drawings and specifications for new buildings/structures and for renovation projects. Serves as the point of contact on construction projects for all building codes, applicable state, federal, and local laws.
<u>Minimum Qualifications:</u> Completion of an undergraduate degree in the Structural Engineering discipline from an accredited college or university and eight (8) years of diversified and related experience in design, construction document review, building/fire codes and construction administration, two (2) years of which includes supervising professional engineering staff. Must have an active Professional License in the State of Georgia. Must have a valid driver's license and the ability to travel statewide.
<u>Competencies:</u> Strong verbal, written, and analytical skills; excellent customer service, problem resolution, and organizational skills; ability to effectively interact with highly skilled professionals; ability to work under pressure and meet deadlines; must demonstrate leadership and take initiative; must be capable of reading and interpreting contracts and architectural drawings and have experience working with Microsoft Office Suites and Project Management Software; must be self-directed and time-line driven. Must have experience working with the various construction delivery systems and a working knowledge of construction best practices and accounting principles.
<u>Working Conditions:</u> The work is typically performed in an office environment. Required travel in the state of Georgia.
If applying for a position that requires a degree, an official college transcript must be furnished. Only educational credentials from an accredited institution will be considered. GSFIC will select the most qualified applicants for an interview; only those selected for interviews will be updated on position status.
The selected applicant must furnish the required documentation authorizing work in the United States as well as pass a criminal background investigation and drug screening.
Due to a large volume of resumes received by this office, we are unable to provide information on your resume status over the telephone. No notifications will be sent to applicants except to those who are selected for interviews.
