HB 76—FY 2016 APPROPRIATIONS BILL

Line-Item Vetoes by the Governor

Section 50, pertaining to the Georgia General Obligation Debt Sinking Fund, page 245, Line 355.582:

This language authorizes the appropriation of \$809,900 in debt service to finance projects and facilities for the Department of Community Affairs, specifically for the construction of a seawall on Hutchinson Island in Savannah, through the issuance of \$3,500,000 in five year taxable bonds. Article VII, Section IV, Paragraph I (c) requires that general obligation debt may only be issued to “acquire, construct, develop, extend, enlarge, or improve land, waters, property, highways, buildings, structures, equipment, or facilities of the state.” In this instance, the state does not have ownership of the land identified for the seawall, and thus is prohibited from using general obligation debt to finance this project. Therefore, I veto this language (page 245, line 355.582) in the provisions relative to Section 50 State of Georgia General Obligation Debt Sinking Fund and the state general funds of \$809,900.
