All employment is decided on the basis of qualifications, merit and business need.

Construction Compliance Specialist (Southwest GA Region)

Position Overview

GSFIC Overview: In addition to a competitive salary and career growth opportunities, GSFIC offers a generous benefits package, which includes employee retirement plan (including a 401(k) plan with up to 3% employer matching); paid holidays annually; vacation and sick leave; health, dental, vision, legal, disability, accidental death and dismemberment insurance, healthcare and child care flexible spending accounts.

Job Summary: Under general supervision, the CCS monitors the day-to-day progress of construction projects for the State of Georgia. This includes but is not limited to: observations of stored materials, work in place and job site conditions, as well as on site workforce. The CCS applies comprehensive knowledge gained through on-the-job training and participation in industry-related training and/or conferences to review issues and relay information to Using Agencies, Design Professionals, and Construction Professionals. The CCS also performs other related duties as required.

Minimum Qualifications: High school diploma or GED, and a minimum of four (4) years of experience in a construction related field **OR** A four (4) year degree in Engineering, Construction Management, or Architecture. Must meet the agency's requirements to be an authorized driver and be able to travel statewide

Preferred Qualifications:

- Successful completion of the GSFIC internship Program
- Eight (8) years of experience in a construction related field, in an industrial, governmental, or commercial setting

Work Environment: This position requires frequent visits to project construction sites which are subject to outside conditions. This role routinely uses standard office equipment such as computers, phones, and photocopiers. Frequent traveling between construction sites is required.

Competencies: Ability to work professionally and successfully with Construction Professionals, Design Professionals, Project Managers, Quality Assurance staff and other project stakeholders to resolve issues on projects in order to meet schedule, budget and quality requirements of projects; Ability to write reports and log information in a logical, comprehensive, and concise manner; Ability to work under pressure while handling multiple priorities and meet deadlines; Strong analytical skills

Travel: Travel is primarily local during the business day, although some out-of-the-area and overnight travel

This position is subject to close at any time once a satisfactory applicant pool has been identified.

The selected applicant must be authorized to work in the United States and must successfully pass a pre-employment criminal background check, motor vehicle records check and drug screen.

Due to the large volume of resumes received by this office, we are unable to provide information on your resume status over the telephone. Notifications will only be sent to applicants who are selected to interview.
